- Enhance core competencies: engagement strategy, content, data and automation (may include)
 - Navigate, evaluate and create content on social networking sites
 - Influence readers with interesting, useful and timely content
 - Use video for promotional, reference and celebratory purposes
- Gain expertise working within a non-profit organization
- A great place to gain valuable work experience for placement / transitional opportunities while contributing to **after** BREAST CANCER's vision of creating a future to make a difference one woman/one survivor at a time.

About **after** BREAST CANCER:

Our Vision

Our Vision Is To Make A Difference...**ONE Woman / ONE Survivor At A Time**

Our Mission Statement

after BREAST CANCER is a Canadian Charity incorporated with the following objectives:

- To provide resources that contribute to a woman's Quality of Life (QOL) after breast cancer.
- To provide women with limited financial resources and NO insurance with mastectomy bras, mastectomy camisoles and breast prostheses at **no cost** to them after breast removal surgery (mastectomy or lumpectomy).
- To identify underserved areas in breast cancer survivorship that lack resources and provide evidence based information that can facilitate informed decision making on issues related to breast cancer survivorship.

Ready to Join the Team?

We encourage all interested individuals to submit a cover letter supporting how your qualifications make you the ideal candidate for this volunteer intern position.
